

Club: Health and Wellness

I/C Teachers		PG, DG, RM, ST, AWS
Class	Month	Activity
1	FEB 2027	Handwashing & Personal Hygiene Demonstration – Correct steps of handwashing using soap and water with action rhymes.
2	JAN 2027	Good Posture Awareness Activity – Identifying correct sitting and standing posture through pictures and actions.
3	APR 2026	Healthy Food Plate Craft Activity – Making a balanced diet plate using paper cut-outs of food items.
4	JUN 2026	Daily Exercise & Yoga Practice Session – Simple stretching, Surya Namaskar, and warm-up exercises.
5	JUL 2026	Basic First-Aid Awareness Workshop – Learning to clean minor wounds, use bandages, and call for help.
6	AUG 2026	Breathing & Relaxation Techniques Workshop – Demonstration of deep breathing and pranayama for stress control.
7	SEP 2026	Adolescent Health & Hygiene Awareness Talk – Session on physical changes, personal hygiene, and healthy habits.
8	OCT 2026	Mental Health Awareness Poster Competition – Creating posters on emotions, self-care & seeking help
9	NOV 2026	Substance Abuse Prevention Awareness Program – Expert talk & student pledge against tobacco & drugs.
10	DEC 2026	Exam Stress Management Workshop – Time management tips, relaxation exercises, and guided meditation.

Health and Wellness Club Observance Days:

- World Yoga Day
- World Mental Health Day
- World Diabetes Day
- Fit India Movement Day

Club: Sustainable Development Goals

I/C Teachers		PK , AW, PR, SH
Class	Month	Activity
1	DEC 2026	Save Water Colouring Day (SDG 6) – Colouring pictures showing turning off taps, saving water at home and school.
2	FEB 2027	Clean Classroom Drive (SDG 3 & 11) –Students clean desks and surroundings and learn about cleanliness and healthy living.
3	JAN 2027	Grow-a-Plant Activity (SDG 15) – Each student plants a seed in a recycled container and observes growth.
4	APR 2026	Reduce–Reuse–Recycle Craft Competition (SDG 12) – Making useful items from waste materials with explanation.
5	JUN 2026	Balanced Diet Plate Activity (SDG 2) – Creating a healthy diet plate chart and discussing nutrition.
6	JUL 2026	Energy Conservation Awareness Talk & Poster Making (SDG 7) – Posters on saving electricity and using renewable energy.
7	AUG 2026	Plastic-Free School Campaign (SDG 13 & 14) – Student teams identify plastic usage and suggest alternatives.
8	SEP 2026	Gender Equality Debate / Role Play (SDG 5) – Classroom debate or role play on equal opportunities for all.
9	OCT 2026	Climate Change Awareness Presentation (SDG 13) – Group presentations explaining causes, effects, and solutions.
10	NOV 2026	Community Problem–Solution Project (SDG 11) – Identify a local issue (waste, traffic, water) and propose solutions.

Sustainable Development Goals Club Observance Days:

- International Youth Day
- World Population Day
- World Cleanliness Day
- World Energy Conservation Day

Club: STEM (Science, Technology, Engineering & Mathematics)

I/C Teachers		NK, MR, SC, GN
Class	Month	Activity
1	NOV 2026	Shape & Pattern Hunt Activity – Students identify and sort objects by shapes & patterns in classroom (Math)
2	DEC 2026	Floating–Sinking Experiment Day – Hands-on experiment using water and everyday objects to observe floating and sinking (Science).
3	FEB 2027	Paper Bridge Challenge – Students design a paper bridge and test how much weight it can hold (Engineering basics).
4	JAN 2027	Measurement Around Us Activity – Measuring classroom objects using rulers and measuring tapes; recording observations (Math + Science).
5	APR 2026	Simple Electric Circuit Workshop – Students build a basic circuit using battery, bulb, and wires (Ap. Sci).
6	JUN 2026	Unplugged Coding Challenge – Writing step-by-step algorithms to solve a maze without using computers (Comp. Thinking).
7	JUL 2026	Simple Machines Model-Making Competition – Working models of lever, pulley or inclined plane (Eng)
8	AUG 2026	Weather Data Collection & Graphing Activity – Recording daily temperature and presenting data using bar graphs (Science + Math).
9	SEP 2026	Science Behind Household Appliances Presentation – Group chart/PPT explaining the working principle of common appliances (Physics).
10	OCT 2026	Mathematical Problem-Solving Competition – Real-life problems involving graphs, equations, and logical reasoning (Mathematics).

STEM Club Observance Days:

- National Science Day
- National Mathematics Day
- National Engineers’ Day
- National Technology Day

Club: Book Buddies

I/C Teachers		MS, SS, MJ, JK
Class	Month	Activity
1	OCT 2026	Picture Book Reading Teacher reads a big-picture storybook; students identify characters and colours.
2	NOV 2026	Favourite Story Character Dress-Up – Students come dressed as a story character and speak 2 lines about it.
3	DEC 2026	Read & Draw Competition – Students read a short story and draw their favourite scene.
4	FEB 2027	Story Sequencing Activity – Students arrange story cards in correct order and narrate the story.
5	JAN 2027	Book Review Writing Competition – Short written review (5–6 lines) of a storybook read in class.
6	APR 2026	Reading Aloud Competition – Students read a selected paragraph with proper pronunciation and expression.
7	JUN 2026	Character Sketch Writing Activity – Writing a brief character sketch of a favourite literary character.
8	JUL 2026	Debate from Books – Debate on a theme or value learned from a story or novel.
9	AUG 2026	Book Talk Presentation – Students give a short oral presentation on a book of their choice.
10	SEP 2026	Literary Quiz Competition – Quiz based on authors, genres, novels, and school syllabus texts.

Book Buddies Club Observance Days:

- World Literacy Day
- World Poetry Day
- National Reading Day
- World Book Day

Club: Environment / Eco

I/C Teachers		PP, VB, DA, TP, PL
Class	Month	Activity
1	SEP 2026	Green Classroom Clean-Up Drive – Cleaning classroom plants and learning about keeping surroundings clean.
2	OCT 2026	“Love Trees” Colouring Competition – Colouring pictures of trees, animals, and nature with a short nature rhyme.
3	NOV 2026	Seed Ball Making Workshop – Making seed balls using soil and seeds to promote greenery.
4	DEC 2026	Best-out-of-Waste Craft Competition – Creating useful items from waste materials and explaining reuse.
5	FEB 2027	Save Water Awareness Rally & Slogan Writing – Rally within school campus with student-made placards.
6	JAN 2027	Composting & Waste Segregation Workshop – Demonstration of wet/dry waste segregation and composting.
7	APR 2026	Plastic Pollution Awareness Seminar – Expert talk followed by student discussion and pledge.
8	JUN 2026	Climate Change Poster & Infographic Competition – Posters showing causes, effects, and solutions.
9	JUL 2026	Biodiversity Conservation Awareness Talk – Session on endangered species and conservation strategies.
10	AUG 2026	Local Environmental Issue Case Study Project – Group study on pollution, waste, or water issues in the community.

Environment / Eco Club Observance Days:

- World Environment Day
- World Energy Conservation Day
- Van Mahotsav
- Global Recycling Day

Club: Cyber

I/C Teachers		ASG, SLS, SJ, RS, TRM
Class	Month	Activity
1	AUG 2026	Safe Screen Habits Activity – Teacher-led storytelling using pictures on safe phone and tablet use.
2	SEP 2026	Screen Time Balance Celebration – “My Screen-Free Day” chart colouring and sharing one healthy offline habit.
3	OCT 2026	Cyber Safety Poster Colouring Activity – Colour posters showing “Do not share passwords” and “Ask parents first”.
4	NOV 2026	Strong Password Workshop – Creating easy-to-remember but strong passwords using rules taught by teacher.
5	DEC 2026	Cyber Etiquette Role-Play – Role-play on polite online behaviour, emails, and messaging manners.
6	FEB 2027	Online Safety Awareness Talk – Session on safe browsing, pop-ups, and reporting suspicious content.
7	JAN 2027	Cyberbullying Awareness Seminar & Pledge – Discussion on cyberbullying with real-life scenarios and pledge.
8	APR 2026	Digital Footprint Poster Competition – Posters explaining how online actions leave permanent traces.
9	JUN 2026	Cyber Crime Awareness Talk – Expert session on phishing, hacking, and online fraud prevention.
10	JUL 2026	Responsible Social Media Use Workshop – Case studies on privacy, fake news, and online reputation.

Cyber Club Observance Days:

- Cyber Safety Day
- World Internet Day
- International Data Privacy Day
- International Computer Literacy Day

Club: SIBC (Soroptimist International Bombay Chembur)

I/C Teachers		VVJ, VR, SP, SK, FA
Class	Month	Activity
1	JUL 2026	“Girls Can Do Anything” Storytelling Session – Teacher narrates stories highlighting confident and kind girls; drawing follow-up.
2	AUG 2026	Respect & Kindness Day – Picture-based activity on respecting girls and women at home and school.
3	SEP 2026	Healthy Habits for Girls & Boys Activity – Chart-making on hygiene, nutrition, and self-care.
4	OCT 2026	Women Role Model Drawing Competition – Drawing and short oral introduction of a woman they admire (mother, teacher, doctor, etc.).
5	NOV 2026	Safety Awareness Workshop – Simple session on personal safety, safe touch, and asking for help.
6	DEC 2026	Gender Equality Awareness Talk – Interactive discussion on equal opportunities in education and sports.
7	FEB 2027	Adolescent Health & Self-Esteem Workshop – Session on body confidence, emotions, and healthy relationships.
8	JAN 2027	Poster Competition on Women Empowerment – Posters highlighting education, safety, and leadership of girls.
9	APR 2026	Career Guidance Talk for Girls – Expert interaction on career choices, skills, and goal setting.
10	JUN 2026	Life Skills & Decision-Making Workshop – Activities on confidence building, communication, and handling peer pressure.

SIBC (Soroptimist International Bombay Chembur) Club

Observance Days:

- International Day of the Girl Child
- Human Rights Day
- International Day for the Elimination of Violence against Women
- 16 Days of Activism Against Gender-Based Violence

Club: CCA (Co-curricular Activities)

I/C Teachers		PM, PN, SL, SMP
Class	Month	Activity
1	JUN 2026	Finger Painting Fun Day – Students create a theme-based painting (e.g., “My Happy Day”) using only fingers; display in class gallery.
2	JUL 2026	Nursery Rhymes Drama – Mini role-play of nursery rhymes with actions and dialogues; judged on expression and coordination.
3	AUG 2026	Clay Modelling Competition – Students create a 3D model of an animal or object from clay and describe it.
4	SEP 2026	Rangoli Design Contest – Students design a small Rangoli using eco-friendly powders.
5	OCT 2026	Shadow Puppet Theatre Workshop – Students create simple paper puppets, design a mini stage, and perform a short 2-minute story using shadows.
6	NOV 2026	Mini Art Installation Challenge – Students create a small 3D art installation (using recycled materials, paper, and colours) on a theme and present it in class.
7	DEC 2026	Short Story Skit Competition – Students convert a 1-page story into a 3-minute skit with dialogue, props, and simple stagecraft.
8	FEB 2027	Calligraphy & Handwriting Contest – Creative writing with decorative calligraphy on a theme
9	JAN 2027	Photography Challenge – Students click 3 photos on a theme (Nature / Emotions / Light & Shadow) and make a mini collage presentation.
10	APR 2026	Debate in Verse (Poetry Debate) – Students debate on a topic but must include 2–3 rhyming poetic lines in their arguments.

CCA (Co-curricular Activities) Club Observance Days:

- National Drama Day
- World Dance Day
- International Music Day
- National Handicrafts Day

Club: Language

I/C Teachers		AS, NP, YK, JP
Class	Month	Activity
1	APR 2026	Alphabet Action Parade (English Focus) – Each child represents one alphabet with a prop and says a word + action (e.g., B for Ball – bounce).
2	JUN 2026	Picture Talk Circle (Hindi Focus) – Students speak 5-6 simple sentences in Hindi describing a picture card.
3	JUL 2026	Marathi Word Treasure Hunt – Students search classroom labels for Marathi words and match them with meanings.
4	AUG 2026	Three-Language Tongue Twister Challenge – Students practice and recite simple tongue twisters in English, Hindi, and Marathi.
5	SEP 2026	Dictionary Detective Competition – Students are given 5 unfamiliar words and must find meanings, pronunciation, and frame one sentence.
6	OCT 2026	Newsroom Simulation Activity – Students act as news anchors in any one language and present a 1-minute school news bulletin.
7	NOV 2026	Proverb & Idiom Illustration Contest – Students select a proverb/idiom (all 3 languages) and creatively illustrate its meaning on chart paper.
8	DEC 2026	Translation Relay Challenge – Teams translate a short paragraph from English to Hindi/Marathi (or vice versa) accurately and meaningfully.
9	FEB 2027	Language Debate Switch Round – Students begin debating in one language and conclude in another.
10	NOV 2026	Script Writing Mini-Workshop – Students write a 2-page bilingual script (dialogue-based) on a social theme.

Language Club Observance Days:

- Hindi Diwas
- Marathi Bhasha Gaurav Din
- English Language Day
- Hindi Pakhwada

Club: Counselling (Psychological Well-Being)

I/C Teachers		NRP, PBP, DB, AT
Class	Month	Activity
1	JAN 2027	“My Feelings Face Wheel” Activity – Students create a rotating feelings wheel (happy, sad, angry, scared, excited) and practice naming emotions.
2	APR 2026	Kind Words Jar Activity – Each child writes/draws one kind sentence for a classmate; jar opened and shared.
3	JUN 2026	Brave Choices Story Sorting Game – Students listen to short scenarios and sort actions into “Safe Choice” and “Brave Choice” categories.
4	JUL 2026	Friendship Mapping Exercise – Students draw a “Friendship Web” showing qualities of a good friend and healthy boundaries.
5	AUG 2026	Decision Tree Workshop – Students learn a 4-step decision-making model and apply it to simple school-life situations.
6	SEP 2026	Emotion Regulation Toolbox Creation – Students design a personal “Calm Kit Plan” (breathing, journaling, etc)
7	OCT 2026	Peer Pressure Role Analysis Session – Group case study to analyse scenarios & suggest assertive responses.
8	NOV 2026	Self-Identity Reflection Workshop – Students complete guided worksheets on strengths, values, interests & personal goals.
9	DEC 2026	Growth Mindset Lab – Interactive session comparing fixed vs growth mindset with real academic and personal examples.
10	OCT 2026	Resilience Building Simulation – Students work through structured “setback scenarios” and develop coping action plans.

Counselling (Psychological Well-Being) Club Observance Days:

- World Happiness Day
- International Day of Friendship
- World Kindness Day
- International Day of Non-Violence
